MESSAGE FROM PASTOR KORY

Blooming Together: The Warmth of Summer Conversations

Summer is a season of open doors, longer days, and vibrant growth. When we look outside, we see the results of deep roots and warm sunshine working together to make the earth bloom. Just like the nature around us, our church community requires the right environment to truly grow and flourish.

True spiritual and communal growth does not happen in isolation. It thrives in the warmth of shared moments. This summer, we have a unique opportunity to cultivate deeper relationships within our church family. Growth happens when we move beyond casual greetings and commit to thoughtful conversations and intentional interactions with one another.

Every time we take the moment to truly listen to someone's story, share a burden, or laugh together over a cup of coffee, we are watering the seeds of fellowship. The Apostle Paul reminds us in Ephesians 4:15 that we are to "speak the truth in love" so that we may "grow up in every way into Him Who is the head, into Christ." Thoughtful conversations are the soil where this love becomes tangible.

Let us use these sunny months to step out of our comfort zones. Reach out to someone you do not know well after the service. Sit with someone new at a church gathering. Ask meaningful questions, listen with an open heart, and share your own journey. By warming our hearts through genuine connection, our church will grow not just in numbers, but in love, unity, and spiritual depth.

In the Love of Christ,

Pastor Kory Ferree
